special offer from
MONTHLY REVIEW

MR has made available to movement people, for cost of postage only, copies of MRs from 1965 to the present. The only proviso is that the magazines get out to people and are used, and not sit in a closet somewhere. Write for more information, or send indicated postage for however many you can use, to Donald McKelvey at NEFP. This is an unprecedented opportunity to acquaint movement people with the best socialist publication around.

Postage cost: 4¢/copy up to 20 total; 3¢/copy over 20. Still available, about 30 different issues.

In addition, you can subscribe to MR through the Free Press; just add the subscription cost to your literature order. \$7 a year (\$5 for students) is precious little to pay for an excellent magazine. Use the space on the order blank.
